Dear Parents and Students,

We are off to a great start for another exciting year. We hope that you had a wonderful summer. Every year there are a few changes, which we hope will improve our school. This year we have had to make changes to the way we have our dismissal.

Safety is the main reason for making these changes. From now on, there WILL BE NO PARKING INSIDE THE SCHOOL. Parents will be given today either a blue or a red rear mirror label. A letter is also going home explaining in great detail what these two labels mean. Please take the time to read them. Students will be standing outside their classrooms to be picked up when you pull through the line. Please stay in your car, your child will go to your car from the line when you pull up. It will take some time to get us used to having dismissal this way, but it will make our school a much safer place for our children.

During the summer we needed to switch some teachers around. Ms. Yao will now be teaching the 4B class and Ms. Ramos is teaching the 6B class. Due to personal reasons Mrs. Puentes is taking some time off. We are in the process of hiring a PE teacher and should begin classes as usual next week.

Please make sure that your child has all of their supplies by Friday of this week. We will begin full days on Monday, August 23rd. This is also the night that we will have our New Parent Meeting at 6:30 pm in 8B.

Thank you for all your support and cooperation. God bless!
